Khartoum, sudan

Invoice Number : 10015074606

Bank Name : bank nilin

Account Details : 7764766444, ATM Card Number

#	reference_number	total_amount	currency
1	2455	1200	USD
In this example, we're using the \$(document).ready() function to make sure that the code runs after the page has loaded. We're checking if the item variable matches the condition "something" and then hiding or showing the elements with IDs "element1" and "element2" accordingly .
